Meanwhile, in 2017, Deepika appeared on The Ellen DeGeneres Show and talked about how she got the part in XXX: Return Of Xander Cage. To which, she said that she had auditioned for Fast & Furious 7, however, she could not be a part of it. I think people remember me from that audition. Everyone talks about the chemistry and about a year ago I got a call from Paramount about the film, said Padukone. Later, she revealed that she flew to Toronto and met the makers. She also met Diesel in LA and soon as she arrived, they did a photoshoot together which confirmed that she got the part. The directors signing to CAA is the latest example of Indias growing allure for Hollywood agencies. Last year ICM inked xXx: The Return of Xander Cage actress Deepika Padukone while WME signed Indian starAlia Bhatt. In the film, the actress essayed the role of Serena Unger. while Vin played Xander Cage. XXX: Return of Xander Cage also starred Kris Wu, Ruby Rose, Tony Jaa, Nina Dobrev, Toni Collette, Ariadna Gutierrez, Hermione Corfield, and Samuel L. Jackson in the lead roles. It was the third installment in the XXX film series and a sequel to both XXX (2002) and XXX: State of the Union (2005). On January 25, we made sure all the copies of both the English and Hindi versions of 'XXX: Return of Xander Cage' were destroyed. That is unless the CBFC requires a clean-and-clean certificate for any Hindi version of the film. As per the rules set by the certification body and the Censor Board of Telugu, the film, XXX: Return of Xander Cage in Hindi version, has been allowed to release by the CBFC. Reportedly, the Hindi version was certified by the CBFC in November last year. The director, D.J. Caruso is happy that they have cleared the required amount of checks which were pending before. Meanwhile, the Telugu version is to be certified on February 6. This is when the certification marks will be in place. If this doesn't delay the release, it will be the largest-ever Indian film release in the history of the Bollywood industry. This will also be the first Indian film in history to release three versions in the same country. The Telugu version will also release in Thailand. The other two versions will be released in Russia and Ukraine.
